school

surveys

**SHEU**

**1**

**1.**

**Who**

**are you?**

# SHEU

SHEU

is a research unit in South-West England.

We

work

for the

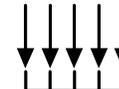

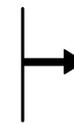

school

and

the Council.

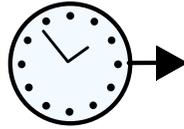

We have been asked to help collect information from you all.

**2**

**2.**

**What**

**will**

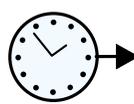

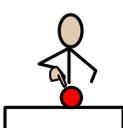

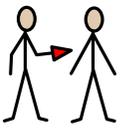

**I**

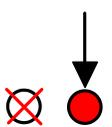

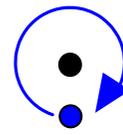

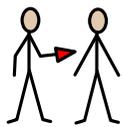

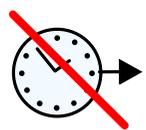

**be**

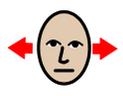

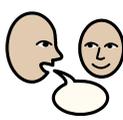

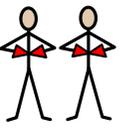

**asked?**

 You  will  be asked  about  what  you  do

 and  how  you  feel

 and  other  important  things  about  you.

 You  will not  be asked  for your  name  or address.

 And  please  don't  tell  us!

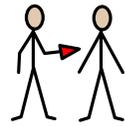

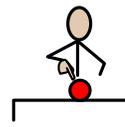

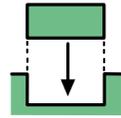

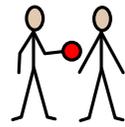

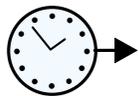

**3**  
3. **Why**  **do you**  **want to**  **know**  **this?**

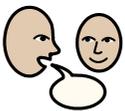

Your answers are used to plan lessons and services for young people.

And we can see what has changed since the last survey.

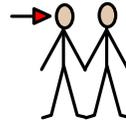

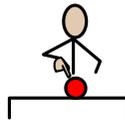

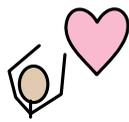

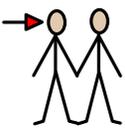

The school will see if your lessons fit in with what you

tell

us.

They want to be sure what they are doing is right.

4

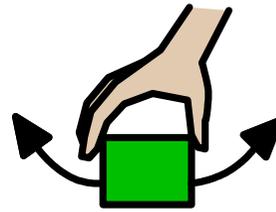

4.

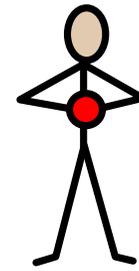

How

do you

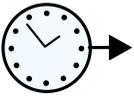

use

my

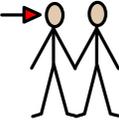

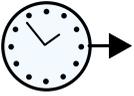

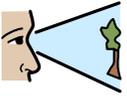

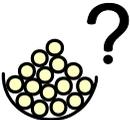

information?

  
 We will send reports to schools and the Council.

  
 They will see how many pupils gave different answers.

  
 The reports say things like:

  
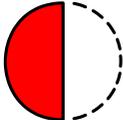

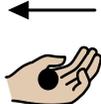

**All pupils in this school had cereal for breakfast**

  
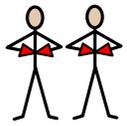

**But in the whole County, only half had cereal.**

**5. How will you collect this information?**

We

are

going to

ask

you

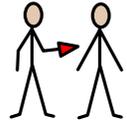

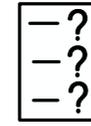

questions

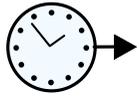

in

a

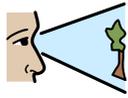

questionnaire.

You

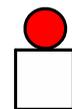

will

see

the

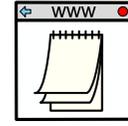

questions

on

a

website

or

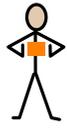

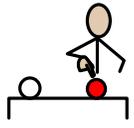

in

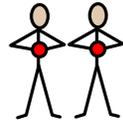

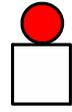

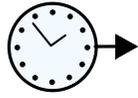

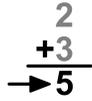

a

printed

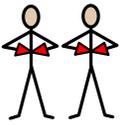

booklet.

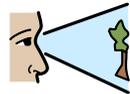

**6** **?**    **i**  
**6. How do you keep this information?**

Your answers will be kept safe on our computers.

We keep records for many years.

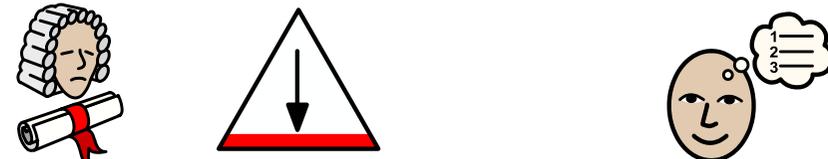

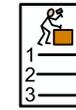

Then we can see how young people are changing.

**7**  
7. Are you allowed to do this?

(**'legal basis for processing'**)

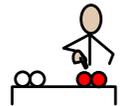

The Council is allowed to collect information to help it plan to

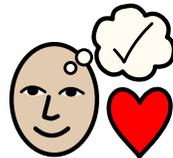

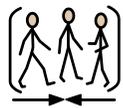

support young people.

Support means education, health and well being.

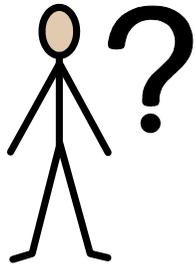

These are things the Council must do

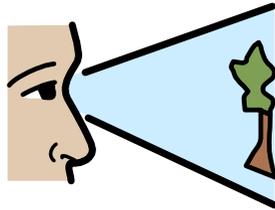

('legal functions' and 'public interest').

8

8.

Who

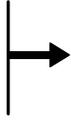

sees

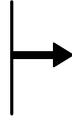

the

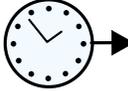

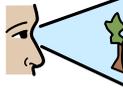

information?

 Some people from the SHEU and from the Council will see your

$$\begin{array}{r} 2 \\ +3 \\ \hline \rightarrow 5 \end{array}$$

answers.

 They will see your answers if they need these to do their

 job.

BUT you might tell us something that makes us think

you are in danger.

Then SHEU will have to tell your school that someone

has said it,

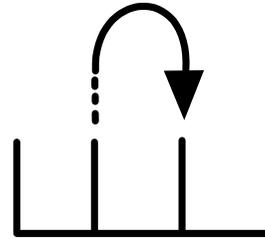

Even if we can't find out who said it.

**9.**

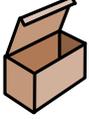

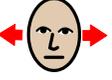

**What's**

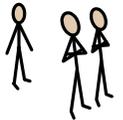

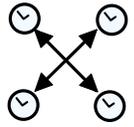

**next?**

      
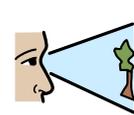

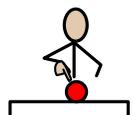

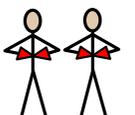

Do you agree with all this?

       
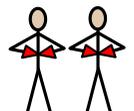

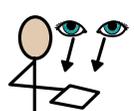

Then please tick the box at the start of the survey.

    
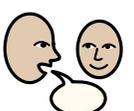

If not, stop now.

       
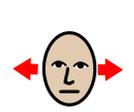

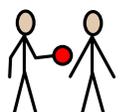

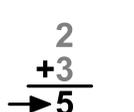

You can leave out any questions you don't want to answer.

      
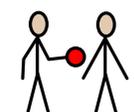

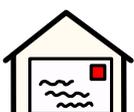

And you can stop at any time.

           
Later, you may want to see what we know about you.

      
Then you can ask us to show you.

      
And you can tell us to delete it.

         
But remember, we might not be able to find your answers

       
because we don't know your name and address.
