Main Text:

Dear Headteacher, School Leadership Team, Finance/Admin/Business Leads,

A NEW eye test leaflet for families aims to encourage them to take their children for a FREE eye test.

Schools are asked to [please disseminate the leaflets to their parents/carers](#) via email, newsletters, websites etc.

The important messages from the leaflet are:

- Please take your child for a FREE eye test.
- Check this website to find your local opticians: [Sight Tests - NHS \(www.nhs.uk\)](http://www.nhs.uk)
- Encouraging children & young people to manage their screen time and get outdoors more often can help their eyesight.

The leaflet was produced by North Yorkshire Council's Public Health Team. There is a DIGITAL and PRINT version (in case schools wish to print them).

Any queries please contact the Public Health team at North Yorkshire Council on:
