

Primary School Vaping Resource Training

With thanks to funding from York & North Yorkshire Combined Authority's Community Safety Fund, The Talk About Trust is offering a number of free online teacher training sessions looking at Vaping Resources for Primary Schools. Each school will receive a full, physical resource pack on completion of the training in addition to online access with ready to go PowerPoint lessons and activities.

By the end of this training, teachers will be able to deliver lessons that help students to:

Understand:

- Why vaping is worse for young people
- The physical effects of vaping
- What nicotine is
- Vaping and the law
- The environmental impact
- Social Norms

Explore:

- Healthier alternatives that could help with anxiety or stress.
- The motivations of influencers
- How to stay safe

Know:

- Where to go for help and support
- How to navigate peer pressure
- What is safe/unsafe
