

North Yorkshire Healthy Early Years Award

North Yorkshire Healthy Early Years award is free for all providers in North Yorkshire due to funding from public health. The award covers the key themes of:

- Active Lives
- Healthy Food
- Personal, Social Education Development (PSED) and Emotional Health & Wellbeing
- Staff wellbeing

The award is aimed at all Early Years providers including: day nurseries, playgroups, pre-schools, childminders who work on their own or childminders with assistants.

Since the launch in November 2021 over 100 Early Year Providers have registered to take part in the award with many achieving an award. The award enables Early Years providers to share and achieve recognition for their effective practice in supporting a whole setting approach to health and wellbeing by working through the criteria for each of the key themes.

“We are so proud of our setting, we have worked hard as a team to achieve our Bronze, Silver and Gold awards for North Yorkshire Healthy Early Years.

Taking part gave us the opportunity to reflect on and develop our practice by embedding day to day routines and activities that support children’s wellbeing and mental health.

We also found the Staff Well-being unit very helpful as we work every day to support each other so that we are in the best place to care for children’s growth and development”

Nichole Banner
Managing Director at Kinder Place Ltd
